To Mr. VAHID NOVRUZOV,
Chairman of The Chamber of Auditors of Azerbaijan Republic

Dear Mr. Vahid Navruzov,

On the occasion of the 25th Anniversary of the **Chamber of Auditors of the Republic of Azerbaijan** I'm sending you my warmest congratulations on your tireless commitment to excellence and the public interest.

I would like to thank you very much for this opportunity to express my thoughts on your prestigious professional body anniversary. It is an honor to consider our professional organizations as truly kindred and our long term cooperation as one of the most important to our profession.

A distinct feature of the financial auditor profession is the assumption of responsibility to act in the public interest. Verifiable truth is essential to our profession. Users of financial-accounting information, represented by current or potential investors, the management of the entities, state institutions and other authorities, as well as the general public are based on the confidence that the information disseminated through the financial statements corresponds to the reported reality. Our profession is therefore based on trust. This trust is a vital feature in the development of a healthy and valuable market economy. This implies a great responsibility for professional bodies that I am most certain that we will successfully continue to address.

I would also like to wish you good luck in the important mission that you have to fulfill in constantly improving the national profession in the Republic of Azerbaijan.

Please send my best wishes to your colleagues for the 25th Anniversary of the **Chamber of Auditors of the Republic of Azerbaijan**.

Best wishes for your future success!

Faithfully,

President of the Chamber of Financial Auditors of Romania

Adrian Popescu
