INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CHAMBER OF AUDITORS OF THE REPUBLIC OF AZERBAIJAN:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Chamber of Auditors of the Republic of Azerbaijan (Chamber), which comprise the statement of financial performance as at December 31, 2021, and the statement of financial position, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Chamber as at December 31, 2021, and its financial performance and its cash flows for the year then ended in accordance with International Public-Sector Accounting Standards (IPSASs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Chamber in accordance with the International Ethics Standards Board for Accountants' Code of the Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IPSASs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

In preparing the financial statements, management is responsible for assessing the Chamber's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Chamber or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Chamber's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high-level assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Chamber's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Chamber's ability to continue as a going concern. If such a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Chamber to cease to continue as a going concern.

INDEPENDEND AUDITOR'S REPOR - CONTINUED

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Chamber to express an opinion on financial statements. We are responsible for the direction, supervision and performance of the Chamber audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Notes to the Financial Statements

1. Statement of Accounting Policies

Basis of Preparation

The Chamber of Auditors of the Republic of Azerbaijan's financial statements have been prepared in accordance with International Public-Sector Accounting Standards. Where an International Public-Sector Accounting Standard does not address a particular issue, the appropriate International Financial Reporting Standard/International Accounting Standards has been applied.

The preparation of financial statements in conformity with generally accepted accounting practices requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although these estimates were based on management's best knowledge of current events and actions, accrual results ultimately may differ from those estimates.

The national currency of the Republic of Azerbaijan is the Manat.

For the purpose of presenting additional information in US dollars, all items in the financial statements have been translated into US dollars at the closing rate of official exchange ruling of CBAR at the statement of financial position date of December 31, 2021 – 1 USD = 1.7000 AZN (2020: 1 USD = 1.7000 AZN).

The financial statements are prepared in United States dollars (USD).

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of the financial performance, cash flows, and financial position on an accrual basis using historical cost were followed in the preparation of the financial statements.

Accounting policies

The following specific accounting policies that materially affect the measurement of financial performance and the financial position are applied:

Revenue Recognition

Membership dues revenue

Chambers of Auditors of the Republic of Azerbaijan recognised membership dues on a calendar basis. Dues are payable by the member body on receipt of an invoice in March for each respective year. Membership dues revenue were reported net of any approved discounts. The sum of a membership dues of members of Chamber is differentiated depending on the organizational form of members of Chamber. Membership dues make:

- for local independent auditors – 1,718 USD or 2,920 AZN (2020 – 1,637 USD or 2,783 AZN),
- for the local audit companies – 3,513 USD or 5,972 AZN (2020 – 3,349 USD or 5,693 AZN),
- for the branches and representatives of foreign audit companies in Republic of Azerbaijan 14,051 USD or 23,886 AZN (2020 – 13,352 USD or 22,770 AZN),
- for the foreign auditor companies and members of networks 7,096 USD or 12,064 AZN (2020 – 4,412 USD or 7,500 AZN).

Publications revenue

Revenue from sales of printed subscriptions were recognised when the publications were shipped.

Accounts Receivable

Accounts receivable were recorded at their estimated realisable value after providing for doubtful debts.

Employee Entitlements

Employee entitlements to salary, wages, annual leave, pension costs, and other benefits were recognised when they were accrued to employees. Annual leave has been calculated on an actual entitlement basis at current rates of pay.

Furthermore, Chamber of Auditors of the Republic of Azerbaijan pays into the Azerbaijan state social security fund an amount of 15% (2020: 15%) of each employee's wage and retention 10% (2020: 10%) of employee salaries.. These amounts are expensed as they are accrued.

Property, plant and equipment

Property, plant and equipment

Items of property, plant and equipment are stated at their purchase price or production cost less accumulated depreciation and impairment losses. Production cost for self-constructed assets includes the cost of materials, direct labor and an appropriate proportion of production overheads.

Depreciation

Depreciation is provided on a straight line basis over periods related to the estimated useful economic lives of assets and depreciated from the date of acquisition or, in respect of internally constructed assets, from the time an asset is completed and ready for use. The assets are depreciated using the tax allowable depreciation rates. The depreciation rates used for the major categories of assets are within the following ranges:

- Buildings - 20 year or 7%
- Office equipment - 5 - 8 years or 25%
- Furniture and fittings - 10 year or 20%
- Vehicles - 10 year or 25%

Maintenance and repair expenses on buildings and equipment incurred on renewal or conservation are recognised as expenses in the period in which they were incurred. Major maintenance and repair expenses are recorded as deferred expenses or written off as part of the reserve for fixed assets repair.

For operational fixed assets, which are not used for operational purposes, a provision is created. At each balance sheet date this provision is revised for any movements.

Foreign currency

Transactions in foreign currencies translated to United States currency at the approximate rates of exchange at the date of the transaction. Assets and liabilities at the balance date, denominated in foreign currencies, translated at the rates of exchange prevailing at the date. The resulting gains or losses recognised in the statement of financial performance.

Taxation

Income tax on the profit or loss for the year comprises current tax. Income tax is recognized in the income statement except to the extent that it relates to items recognized directly to equity, in which case it is recognized in equity. The Chamber of Auditors is simple taxpayer in accordance with the 12th section of Tax Code of Azerbaijan Republic and tax rate is 4% of the revenue.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Temporary differences are not provided for in respect of the initial recognition of assets or liabilities that affect neither accounting nor taxable profit. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the unused tax losses and credits can be utilized. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Financial Instruments

Chamber of Auditors used non-derivative financial instruments as part of its normal operations. These financial instruments include bank accounts, certificates of deposit and accounts receivable.

Statement of Cash Flows

The following are definitions of the terms used in the statement of cash flows:

- (a) Cash comprise cash in hand, current bank balances and short-term deposits that can be converted to cash within two working days.
- (b) Operation activities include all transactions and other events that are not investing or financing activities.
- (c) Investing activities are those activities relating to the acquisition, holding, and disposal of fixed assets and investments. Investments can include securities not falling within the definition of cash.
- (d) Financing activities are those activities that result in changes to the size and composition of Chamber of Auditors' capital structure. This includes both equity and debt not falling within the definition of cash.

Changes in accounting policies

There have been no changes in accounting policies in the current year.

2. Chamber of Auditors of the Republic of Azerbaijan

Chamber of Auditors of the Republic of Azerbaijan is the independent financial body which is carrying out the organisation of state regulation and development of auditor service, protection of property rights of proprietors, interest of the state, managing subjects and auditors, the control over observance by independent auditors and the auditor organisations in the activity of the requirements following from act of the Republic of Azerbaijan.

The Chamber has started to function on April 4, 1996.

Chamber of Auditors of the Republic of Azerbaijan

(In USD unless otherwise indicated)

7. Inventory

The Chamber of Auditors of the Azerbaijan Republic publishes International Standards on Auditing in Azerbaijani language, scientifically-methodical materials and monthly scientifically-practical magazine "Economy and Audit ". The rest of finished goods under the scientifically-methodical publication accordingly at the end of 2021 and 2020 are the followings:

	2021	2020
Publication materials	2,506	5,949
Inventory	3,756	6,136
Total inventory	6,232	12,085

8. Other current assets

	2021	2020
Advance holders	13,968	15,629
Prepayment expenses	889	670
Other debtors - tax prepayments	2,744	2,257
Other current assets	14,011	-
Total other current assets	31,612	18,556

9. Accounts payable

	2021	2020
Accounts payable	4,297	-
Employees liabilities	-	-
Total accounts payable	4,297	-

10. Other current liabilities

	2021	2020
Advance received	33,401	30,475
Grants and charitable received	-	-
Total other current liabilities	33,401	30,475

11. Commitments

Social commitments

The Chamber of Auditors of the Republic of Azerbaijan makes contributions to a number of mandatory social programs. The Chamber's social assets as well as local social programs benefit the community at large and are not normally restricted to The Chamber's employees. The Chambers of Auditors of the Republic of Azerbaijan has transferred certain social operations and assets to local authorities. However, the management expects that the Chamber will continue to fund these social programs for the foreseeable future. These costs are recorded in the year they are incurred.

12. Contingent gains and losses

Insurance

The insurance industry in the Republic of Azerbaijan is in a developing state and many forms of insurance protection common in other parts of the world are not yet generally available. The Chamber does not have full coverage for its plant facilities, business interruption or third-party liability in respect of property or environmental damage arising from accidents on the enterprise property or relating to enterprise operations. Until the Chamber obtains adequate insurance coverage, there is a risk that the loss or destruction of certain assets could have a material adverse effect on the Chamber's operations and financial position.

Taxation contingencies

The taxation system in the Republic of Azerbaijan is relatively new and is characterized by numerous taxes and frequently changing legislation, which may be applied retroactively and is often unclear, contradictory, and subject to interpretation. Often, differing interpretations exist among numerous taxation authorities and jurisdictions. Taxes are subject to review and investigation by a number of authorities, which are enabled by law to impose severe fines, penalties and interest charges.

These facts may create tax risks in Azerbaijan substantially more significant than in other countries. Management believes that it has adequately provided for tax liabilities based on its interpretation of tax legislation. However, the relevant authorities may have differing interpretations and the effects could be significant.

13. Related party transactions

Chamber of Auditors of the Republic of Azerbaijan did not carry out any significant transactions with related parties.

(In USD unless otherwise indicated)

14. Reconciliation of Net Surplus with Cash Inflow from Operating Activities

	2021	2020
Net surplus /(deficit) for the period	85,857	106,627
Add/(less) non-cash items:		
Depreciation	22,278	10,562
Net gain/(loss) on foreign currency balance	(285)	(149)
Add/(less) movements in working capital:		
Dues receivable	(22,829)	(39,269)
Other receivables	176	17,677
Inventory	5,823	10,259
Other current assets	(13,056)	12,750
Other payable	4,297	(1,274)
Other current liabilities	(17,351)	(3,707)
Tax payable		-
Net cash inflow from operating activities	64,407	113,476

15. Risk Management

Credit risk

The financial assets which potentially subject the Chamber to concentrations of credit risk consist of cash and accounts receivable. The Chamber's cash deposits are placed with reputable financial institutions.

Interest rate risk

A majority of the Chamber's loans bear fixed interest. Interest expense connected with these loans was not hedged. Management believes that changes in their fair value due to interest rates fluctuation are not material.

Fair value

The carrying amounts of cash and cash equivalents, receivables, prepayments, other current assets, payables and current borrowings approximate their fair value due to the short-term maturity of these instruments except for the provision for bad receivables and inventory discussed in Note 3 and 5 respectively. Fair values of long-term borrowings with fixed rates may vary from their carrying values.

16. Subsequent events

There have not been any material subsequent events after the reporting period.
