Dear VAHID NOVRUZOV

To your International Scientific-Practical Conference on “Accountability and transparency in the digital economy” held in Baku on September 16, 2022, jointly organized by CAAR and the Ministry of Digital Development and Transport of the Republic of Azerbaijan, Prof. Dr. Cemal İbis participated on behalf of Union of Chambers of Certified Public Accountants of Türkiye (TÜRMOB), and he provided to us the valued feedback that he got during the conference.

On behalf of our Union, I would like to thank you for inviting us to such an important event, allowing us to share our experiences and practices, and for your hospitality during the conference.

Every project that we will carry out with our brother country Azerbaijan and our valuable stakeholder CAAR, excites us. I am sure that our cooperation will make significant contributions to the development and future of the profession.
